- **Change paraments according to the Church Calendar posted in the sound room off the altar.**
- **Change white altar linen when dirty. Wash and iron. Extra cloth is stored in back of the altar.**
- **Change candles when burned down. New candles are stored in the long box in back of the altar.**
- **Arrange for flowers or plants on the altar. Remove after services. Plants should be watered and put in one of the kitchen windows or stored in refrigerator by dishwasher—taking out top shelf if needed.**
- **Check to see that the altar and surroundings are clean.**

**Place glasses of water for the pastors and assisting ministers on window sill beside each chair—place on plastic.**

\*Call Kris Antonie (767-2641)
